I am a member of the Saguache Resident Team and we are gathering information about some of the top issues identified by residents in this community. We are now reaching out to learn more from people like you who have been identified as someone who is familiar and knowledgeable about youth activities and support in this community.

I have a few general questions to learn more about youth activities. Then, I will ask you a few specific questions our resident team came up that we hope you can help us answer.

General Questions

1. When it comes to the issue of youth activities, what do you think are the greatest challenges for a community like Saguache?
2. How long has Saguache struggled with this issue? When did it start? What do you think are the primary causes?
3. In thinking about the issue of youth activities in Saguache, who is most impacted by it? Are there particular areas in Saguache where this issue is worse?
4. What do you think are the best/most promising solutions to this issue...

i. in the short term?

ii. in the long term?

5. What else should be known about youth activities in Saguache as we move forward?

Specific Questions Identified by Resident Sub-Groups (include those questions that do not overlap with above)

1. If activities were provided for youth in the community do you think that people would participate?
2. Would parents be willing or able to pay for their children to participate in youth activities?
3. What sort of activities would youth be interested in participating in and what sort of activities would their parents be interested in their children participating in?
4. Is there a particular youth age group that you feel is being overlooked in Saguache?

Final Questions

1. Who else should we talk with to learn more about youth activities in Saguache?
2. What additional information and/or resources can you share to help our team learn more?
